

Ensors Crisis Cover service

When the unexpected happens there is no warning and no time for planning. It could be a vital member of your team who is suddenly off long term or a series of absences that causes continuity issues. Either way, you need a solution quickly to ensure you are able to continue with business as usual.

The Ensors team of Pension scheme accounting professionals can provide this solution by delivering experienced staff to plug the gaps. We will work with you and your existing team to ensure you continue to provide the level of service pension scheme trustees and their members expect. Whether this be seconding staff or outsourcing specific functions we will be able to find a solution that suits you.

Services offered:

- Accounts preparation
- Support/assistance with auditor queries
- Payroll services
- Attendance at Audit clearance meetings
- Attendance at Trustee meetings
