### About the team

You will be part of our thriving Business Services team, provides accountancy, taxation and business support services to a wide variety of small and medium sized businesses including limited companies, partnerships, sole traders, not for profit organisations/charities, and professional firms, operating across a variety of sectors.

The team specialise in supporting healthcare providers and medical practices, and this sector will form a significant proportion of the client portfolio.

### The role

This is a newly created role which provides great opportunities for personal and career development, growth and progression. Your main responsibilities will include:

- Preparing accounts, including the accompanying tax computations.
- Assisting with the development of trainees, including reviewing their work and providing feedback.
- Liaising directly with clients to clear queries.
- Adhering to deadlines and pre-determined budgets.
- Working closely with managers and other team members.

### Desired skills and experience

- You should hold the ICAEW/ACCA qualification or be able to demonstrate that you are qualified by experience to a similar level.
- Must have previous recent experience within a UK practice environment preparing accounts and tax returns for both unincorporated and corporate clients.
- Previous exposure to medical sector clients would be advantageous – but is not essential.
- Experience of using Microsoft Office and accounting software Sage and Xero.
- Excellent communication skills: confident and articulate in dealing with a wide range of clients.
- Tenacious, thorough, with a self-motivated attitude, expert eye for detail and good organisational skills.
